**Statement on the EU - Regulation No. 833/2014**

ROETELMANN GMBH is the manufacturer of various valves made of steel. Valves made of steel, such as ball, plug and cylinder valves start with the KN-/TARIC-Code 8481. Products of this type are not listed in Annex XVII of the EU Regulation No. 833/2014 and are therefore not subject to the various import, purchase and transport prohibitions, which you can find in Article 3, paragraph 1.
